

Welcome to the Public Library of Heilbronn

Information about the library card for refugees

You may always come to the library to look around, read or study. Even without a library card.

With a library card you can:

- borrow books and other media
- use the available computers
- use the internet for free

You can get a library card for three months free of charge with a temporary stay.

After three months you will have to show the library your temporary permit to stay again.

You can borrow up to three books, CDs, DVDs or magazines at one time with your library card.

You can borrow most of them for a 4-week period, but films for only a 2-week period.

You can renew the books and media for a longer time. Please ask at the information desk or give us a call.

If you bring back the things too late, you will have to pay 20 cents for each item and day.
